

Amendments to the Specification

On page 1, before line 3 (after the title), please add the following heading:

FIELD

On page 1, please replace the paragraph beginning on line 3 with the following paragraph:

The invention relates to a method for the provision of operator-specific performance features of different mobile radio network operators for a mobile radio customer, ~~according to the preamble of claim 1~~ whereby the mobile radio customer has a Smart Card, on which a subscriber relationship of the mobile radio customer with a mobile radio network operator is arranged.

On page 1, before line 6, please add the following heading:

BACKGROUND

On page 2, before line 1, please add the following heading:

SUMMARY

On page 5, before line 3, please add the following headings and paragraph:

BRIEF DESCRIPTION OF THE DRAWINGS

Figure 1 shows a schematic drawing of a mobile radio end unit into which a Smart Card is inserted according to one embodiment of the present invention;

Figure 2 illustrates at least two subscriber relationships defined on a Smart Card according to one embodiment; and

Figure 3 illustrates two mobile radio networks, each including a home location register according to one embodiment.
